Integrated LED Lighting

- Adjustable lighting to enhance relaxation and ambiance.

Automatic Cocoon Opening

- Panels that open and close automatically, inspired by the movement of a cocoon.

Manufacturer Inada Family

The Inada Family, founded in 1962 by Inada Isamu, has positioned itself as a pioneer in the field of massage devices and has gained global recognition for its innovations in wellness technology.

Here's an overview of the **Japanese** company and its reputation:

Year of Establishment

Inada Family was established in 1962.

Innovation and Technology

Inada is known for its advanced technologies in massage devices. The company was one of the first to integrate artificial intelligence and robotics into massage devices to provide a more personalized and advanced massage experience.

Quality and Design

Inada's products are praised for their high-quality finishing and design. They combine luxury with functionality and are often equipped with the latest technologies to optimize the massage experience.

International Recognition

The company has built a strong reputation worldwide and has received several awards and accolades for its innovative designs and technologies.

Market Impact

Inada has had a significant influence on the market for massage devices and wellness products. Their products are often seen as leading in terms of technology and effectiveness.

Mission and Vision

The mission of Inada Family is focused on improving quality of life through advanced massage technologies. The company places great importance on research and development to create the best experiences for their customers.

Overall, Inada Family has established a strong market position and an excellent reputation through continuous innovation and a focus on quality and customer satisfaction.

Unfolding Serenity A Gateway to Relaxation

Transformation

Like a butterfly flapping its wings from a cocoon, you will be reborn as a new you. Just by sitting here, you will be led to the world of your dreams, it creates a superb relaxation space.

Unfolding

Equipped with a high-quality mechanism that automatically opens and closes the exterior panel. It moves like a cocoon opening.

Adjustability

The width of the chair can be adjusted to fit your body space.

Designed for Optimal Seating Comfort

Custom made comfortable seat

The eight air bag support functions in the backrest and seat ensure comfortable cushioning despite equipped with the massage function.

Automatically adjust the user's position

Automatically adjust the user's position at regular intervals. Less fatigue even after sitting for a long time.

RELAXATION

"Discover the Inada iCocoon and transform every massage into a personalized journey of ultimate relaxation and innovation."

SANCTUARY

"Elevate your space with iCocoon's serene elegance."

SERENITY

"Let yourself drift into dreams as the Inada iCocoon envelops you in unparalleled relaxation and serenity."

Experience Enhanced Meditation

Let your body ease into relaxation, allowing you to drift into a natural and restful sleep, surrounded by comfort and tranquility.

Collaboration between light and massage through joint research with Nara Medical University
(Appointed Associate Professor Kenji Obayashi)

- Publications
- The Journal of Clinical Endocrinology & Metabolism
- November 2012 etc.

Harmonics

Unique I/f fluctuation gives a pleasant shaking motion and find yourself in a dream.

Harmony

Works with music depending on the purpose, such as healing or awakening.

Interior Designer Tomoko Ikegai

"Supervised by the interior designer Tomoko Ikegai"

Tomoko

Ikegai Tomoko/Architect/Designer

After working at Architectural Design Office (Matsuda Hirata Sekkei), she founded IKG Co., Ltd. in 2006. In addition to designing Futakotamagawa/Tsutaya Home Appliances, the B&B Italia Tokyo showroom, and custom luxury homes and villas, she also expanded her career into commercial facilities.

“We will bring the latest artificial intelligence massage, managed by the Inada Family, to the best world. It all started with these words from the president of Inada. I think this is why we had to go beyond the realm of massage chairs. Something in which you are wrapped. It’s a meditative experience. It’s no longer just a chair. It’s a butterfly. Daily life is full of technology and wisdom from the Inada Family. I am proud to have witnessed the birth of the iCocoon.”

Design that Harmonized with a High-quality Space

Embrace

The gentle rounded shape and texture of genuine leather give a sense of security as it wraps around the body, giving it an unparalleled, innovative design that blends seamlessly into high-end interiors.

Elegance

The simple and streamlined design a high-quality chair blends in with a variety of environments, creating a high-quality and sophisticated space.

Finest Materials

Genuine leather

All exteriors are luxuriously crafted from carefully selected top-grade genuine leather, making this a premium model of high-end furniture. The softness you feel on your skin when sitting down offers an exceptional level of comfort.

Lace-like leather

The interior features intricately crafted lace-like leather, combining a delicate pattern with a sleek and stylish design. This sophisticated texture enhances the overall elegance, offering a refined yet understated aesthetic.

Purchase, Lease, and Rental Pricing

Purchase Price

The iCocoon is priced at **€19,950** including VAT. Installation costs are included in the price. Delivery costs are included within the Netherlands, Belgium, and Luxembourg. For installation and delivery outside of these countries, costs are determined upon request. **For more information or a personalized quote, please contact us directly.**

Delivery

Delivery is standard to the ground floor. For delivery to floors above the ground floor, a sufficiently large and accessible elevator is required. If a suitable elevator is not available, delivery to a higher floor is not possible.

Leasing Option

You can lease the iCocoon for **€495** per month. After completing the lease payments, the chair becomes the property of the buyer. The total purchase price of **€19,950** (including VAT) is fully paid after approximately **60 months** of leasing.

Contact us for more information.

Rental Options

The iCocoon is also available for rent at the following rates (all prices exclude VAT):

Rental options are always available in the Netherlands and can be arranged internationally upon request.

- 1 day: **€450**
- 2 days: **€850**
- 3 days: **€1,200**
- 4 days: **€1,500**
- 1 week (including weekend): **€1,750**

Transport

For deliveries outside the Netherlands, Belgium, and Luxembourg, transportation, installation, and delivery costs are determined upon request.

Pre-orders

Pre-orders

The iCocoon is more than just a massage chair – it is a masterpiece crafted entirely in Japan. This means you can pre-order your unique chair, with every detail produced with the utmost care and precision.

How Does Pre-ordering Work?

When you pre-order an iCocoon, you place an order for a chair that is made specifically for you. This process is ideal for customers who want their chair in a specific color of their choice.

Available Now or Pre-order?

While we strive to keep stock available for immediate purchase, a pre-order may be required if your desired configuration is not currently in stock. Since the iCocoon is specially made in Japan, pre-orders come with a longer delivery time.

Payment Terms for Pre-orders

The following payment terms apply to pre-orders:

- Deposit: 50% of the total price is due at the time of placing the order.
- Final Payment: The remaining 50% is due one week before delivery to the customer.

Message of Gratitude

Dear Reader,

Thank you for taking the time to read our brochure. At RelexZ and iCocoon Serenity, we are dedicated to elevating your well-being and relaxation to the highest level. It is our pleasure to see your interest in the iCocoon, a unique massage chair that represents both innovation and craftsmanship.

This extraordinary chair is the result of a collaboration with the renowned Japanese company Inada Family, a pioneer in massage innovation. To celebrate their 60th anniversary, they have developed this chair as a masterpiece of technology and comfort. To strengthen this collaboration and witness the precision and passion behind the iCocoon firsthand, we from RelexZ and iCocoon Serenity made a special trip to Japan. There, we experienced the dedication and craftsmanship of Inada Family up close, which further solidified our confidence in the exceptional nature of this product.

Your interest in the iCocoon shows that you value quality and relaxation, and we are honored to assist you in this journey. Should you have any questions or require further assistance in making your choice, please do not hesitate to contact us. Our team is always ready to support you.

Warm regards,

Wilco van Os - Owner | Managing Director
